

REMARKS

This amendment is filed to correct some inconsistencies found in the Examiner's Amendment entered in the Notice of Allowance. Specifically, the word terminal has been replaced everywhere except at lines 6 and 17 of claim 22. This has been corrected in the above amendment. Also, in line 8 of claim 22 above, the phrase "a device for hashing" has been replaced by --hashes-- to make better sense. Entry is requested.

Respectfully submitted,

A handwritten signature in black ink, reading "Francis J. Maguire". The signature is fluid and cursive, with a large, stylized "F" and "M".
